Public Notice:

Houston County Materials Recovery Drop Site is a great place for area residents and small businesses to bring in their unwanted items for recycling, reuse or disposal. Oftentimes, unwanted items brought to the drop site are still useful. Quality, reusable items are separated and placed in an area where other customers can “shop” for free items for their use, and reducing the amount of recoverable items sent to the landfill. See Drop Site Supervisors or check the Houston County website, www.co.houston.mn.us for details of sites, such as where they are located and hours of operation. If you have questions, please call **Houston County Environmental Services at 507-725-5800.**
