

CHAPTER 110 – VOLUNTEER FIRE DEPARTMENT

A. FIRE DEPARTMENT ESTABLISHED. The, then Village of Spring Grove, on February 19, 1900, adopted Ordinance #29, “an ordinance to provide for the formation and government of the Fire Department,” which did establish, in effect, a volunteer fire department for the City of Spring Grove. This Chapter, while continuing the spirit of Ordinance #29, does supercede all past ordinances relating to Spring Grove’s volunteer fire department.

B. RELIEF ASSOCIATION. The members and officers of the Fire Department have organized themselves into a relief association. Before any benefits provided from the Special Fund of such association are paid out, they must first be ratified by the City Council. Similarly, any by-law or articles of incorporation which affect the benefits paid from the Special Fund shall not be effective until ratified by the City Council. The city council by statute has fiduciary responsibility of the relief association.
